EDUCATION

RENSSELAER POLYTECHNIC INSTITUTE

Master of Science

Major in Information Technology; Focus on Information Security

Cumulative GPA: 3.56/4.0

Troy, NY

Jan 2025 - May 2026

RENSSELAER POLYTECHNIC INSTITUTE

Bachelor of Science

Major in Information Technology & Web Science; Focus on Cognitive Science

Cumulative GPA: 3.41/4.0

Troy, NY

Aug 2021 - May 2025

WORK EXPERIENCE

GILMAN PRECISION

IT Security Intern

Grafton, WI

Jul 2025 – Aug 2025

- Completed CMMC Level 2 media protection documentation
- Adjusted current procedures and policies to follow NIST SP 800-171 standards
- Presented in weekly standups with the CEO, CFO, and third-party compliance analyst
- Assisted in the deployment of new ERP software and resolved errors

PROJECTS

CLOUD SECURITY: AWS ARCHITECTURE

Fall 2025

- Created VPCs, subnets, and EC2 instances for customer and workforce environments
- Simulated deploying a complex web application spanning multiple availability zones
- Leveraged Terraform and Ansible to quickly build and destroy components

SOFTWARE DEVELOPMENT: EVENT PLANNING APPLICATION

Spring 2025

- Forged middleware to seamlessly connect the front-end to the back-end of the application
- Conducted black-box testing based on detailed use cases
- Utilized React.js, Node.js, Tailwind CSS, and PostgreSQL

ITWS CAPSTONE: JOHNSON & JOHNSON MEDTECH POWER PLATFORM

Fall 2024

- Developed a ticketing application to distribute access to J&J Power Apps across multiple departments and regions
- Crafted a user-friendly navigation system to efficiently direct users to various ticket types
- Implemented React.js, Node.js, and MongoDB

INFORMATION SYSTEM SECURITY: MISINFORMATION AWARENESS

Spring 2024

- Produced an entertaining video to educate peers about misinformation online
- Included ten peer reviewed sources to emphasize the importance of identifying misinformation

ACHIEVEMENTS

NATIONAL CYBER LEAGUE

Spring 2024

- Individual Game: (Platinum Bracket) National Rank: 738/7412; Total Score: 1600/3000
- Team Game: (Platinum Bracket) National Rank: 308/4199; Total Score: 1530/3000

SKILLS

Certifications: CompTIA Security+ (SY0-701), Microsoft Azure AI Fundamentals (AI-900)

Technical Skills: AWS, Azure, Terraform, Ansible, Python, C/C++, JavaScript, PostgreSQL, MongoDB, React.js, Node.js
